**Vote
YES**
to keep DuPage County
on a path to preserve
natural areas
for our family to enjoy.

It's only natural to want to protect, preserve and expand our Forest Preserves.

**Vote
YES**

on November 5th to ensure we keep investing in our quality of life for years to come.

Vote YES
For Our
Forest Preserves

ENDORSED BY:

The Field Museum

Wheaton League of Women Voters serving Carol Stream, Warrenville, West Chicago, Wheaton & Winfield

Former Lt. Governor Evelyn Sanguinetti (R)

The Conservation Foundation

Sierra Club River Prairie Group

Wayne Area Conservancy Foundation

Prairie State Conservation Coalition

The Nature Conservancy of Illinois

At an average cost of \$3 a month for a typical homeowner, it's clear that **VOTING YES for our Forest Preserves** is a small price to pay to preserve, protect and maintain open space in DuPage County.

When we VOTE YES, we will

- **Protect watersheds** to improve the water quality of rivers, lakes, streams and **drinking water sources**
- **Improve air quality** by planting trees
- Preserve and **restore wildlife habitat**
- Help **reduce flooding**
- Enhance **public safety**
- **Preserve approximately 250 acres** under threat of development

Our Forest Preserves play a vital role in promoting the physical and mental health of our community.

In today's digital age, it is more important than ever to provide outdoor recreational programs and places where children can play and be physically active.

The Forest Preserve District will be fully transparent. There will be full public disclosure detailing how the funds are spent.

Preserving open space, natural areas, and trails is crucial to **protecting the quality of life in DuPage County.**

With land prices skyrocketing and the amount of natural lands dwindling, we must act now to preserve our last remaining open space for our children and our grandchildren before it is lost to development.
